★ After-school Program ★

When school lets out, we are in session! Our after-school program, for 4 to 12-year-olds, allows your child to continue learning in a warm and nurturing environment. We offer children a safe place after school each day until 6:00 p.m. We are open all day when area schools are closed. Our adult staff escorts students from area schools to Concordia.

Through art, games, cooking, drama and sports, children learn socialization, team building, problem-solving and communication skills. In addition to educational activities and homework help, children are also given time to socialize with friends and build peer relationships, with the warm guidance from our teachers. After-school children have a lot of energy, so our on-site playlot and indoor large play space offer daily opportunities to get moving and stay healthy.
