Concordia on Whipple Tuition & Fees

See the Parent Manual for a complete description of payments and policies. | Rates effective until 8/31/27.

Required for Enrollment

To secure a space for your child, the enrollment form, registration fee, first week's tuition and a deposit of one week's tuition is required. The deposit will be credited towards your last week's tuition if you provide a withdrawal notice of four weeks.

Weekly Tuition

Your child's tuition is based on your child's classroom, not your child's age. Below is the weekly tuition schedule by classroom.

In addition, tuition is based on enrollment, not attendance. Therefore, tuition payments do not vary with your child's attendance. There are no refunds for any days your child is absent. This includes days absent due to illness, vacation, and days the center is closed. See the Parent Manual for more information on our policies.

Sliding Tuition Scale, Subsidies, and Support

- Concordia Place accepts DCFS and IDHS Child Care Assistance Program, also known as Illinois Action for Children. We can help you with the application process for these state child care subsidy program.
- Concordia Place self-funds a Sliding Tuition Scale that provides additional discounts if your total annual household gross income is less than $95,000 and you are not IDHS eligible. For each dependent child in your household, we give a $5,000 consideration to determine your tuition category. You must provide a copy of your most recent IRS Tax Statement or proof of income; otherwise your tuition is the highest category.
- If you find yourself in circumstances where you need short-term assistance, apply for a temporary Concordia Place scholarship. These limited funds are based on the philanthropic giving of donors and grants, and are subject to availability.

Sibling Discount

We offer a 5% sibling discount on the total tuition for families with more than one child enrolled at Concordia Place.
